CALL OUT FOR IDEAS...

The Conwy Local Action Group (LAG) are calling for ideas surrounding:
Reducing isolation & deprivation within communities

We are looking for ideas from individuals, groups, organisations or businesses.
The funded projects will be small scale and experimental to try out new ideas which haven't been seen in our area before – so think creatively!

PROJECTS COULD HELP:

"Provide volunteering & training opportunities"

"Provide advice & guidance e.g. advice / employment / debt surgeries"

"Support community based activities / clubs to bring people together, activities could target the elderly, children, families or young people"
