CALL OUT FOR IDEAS...

The Conwy Local Action Group (LAG) are calling for ideas surrounding:

Provision of and / or access to transport

We are looking for ideas from individuals, groups, organisations or businesses.

The funded projects will be small scale and experimental to try out new ideas which haven't been seen in our area before – so think creatively!

PROJECTS COULD HELP:

"People access employment opportunities"

"Vulnerable groups access services and opportunities for socialising"

"Link the outlying areas to the main transport system in the county"

"Young people access recreational opportunities after school, on weekends and during holidays"
